Ulla made headlines in April 3 2024 when she handed £1,000 worth of food vouchers to staff at a Waitrose in Formby, close to their family home. And it seems she has some sway over Klopp's managerial career as well, with Klopp revealing Ulla was instrumental in his decision to pen an extension at Liverpool until 2026. Klopp then added: "Ulla, she just loves it here. "If she would say, 'Honestly, I love the football and I love watching it but I actually want to go home', then we would go, that's the truth. She started it and here we are."
