How to Play Online Roulette

There are five basic rules in the roulette strategy, that you need to consider when learning how to play roulette online. Firstly, you'll have to place bets on the number or colour you believe the ball will land on the spinning online roulette wheel.

The croupier then places the ball onto a spinning roulette wheel. Players can actually place bets in the meantime, until they declare "no more bets".

At this point, you can't make any more bets in that round. The ball eventually lands on a number on the roulette wheel. Those who bet on the correct number, colour or section then receive winnings based on their relative roulette betting odds.

Roulette Strategy & Tips

Let's take a look at the most common roulette strategies that people have been using around the world to earn chips at the tables.

Martingale Strategy Reverse Martingale Strategy With this strategy, instead of doubling your bets when you lose, the idea is to increase your wagers when you win and reduce them when you lose a bet. This is designed for players to maximise 'hot' winning streaks.

D'Alembert Strategy This roulette betting method requires you to increase your wager by a single unit after a loss and decrease it by a single unit after a win.

Fibonacci Strategy The Fibonacci strategy requires you to place a wager by adding the last two bets together. Within this method, it can be possible to leave a roulette table with a profit, even if you lose more wagers than you win.

It's important to think about the house edge when you play any game of online roulette. The American roulette version contains a double zero as well as a single zero, resulting in a house edge of 5.26%. Meanwhile European and French roulette versions only have a single zero on the wheel, resulting in a house edge of just 2.7%.

This means that for every 100 credits you play at an American roulette wheel, you are statistically likely to lose 5.26 credits, compared with just 2.7 credits for every 100 credits wagered at a

European or French roulette table.

Brand Description:

Baccarat Rouge 540 extrait de parfum intensifies the radiance of the three auras found in the eau de parfum without betraying the original inspiration. The perfumer's mastered craft and the wisdom gained with time gave birth to this woody extrait de perfume, an ultimate accomplishment for Francis Kurkdjian. The Grandiflorum jasmine from Egypt head note gently underscores the craftsman's voice. The hint of fire is enhanced with powdered epicurean facets of bitter almond from Morocco. Lastly, the mineral note built around ambergris is tamed with a musky and woody accord. Adding to the intensity of the extrait, the perfume bottle also plays with light. Its aesthetic dons a brilliant red robe reminiscent of Baccarat red. Baccarat Rouge 540 Maison Francis Kurkdjian extrait de parfum embodies the profusion and fusion of elements that can only be tamed by the art of the perfumer and the wisdom gained with time.
