What is a multiple bet on Betano? Before I begin, let me explain what a multiple bet is. A multiple bet, also known as a "multi", is simply a bet on two or more events placed on a single ticket.

My experience with the 2 multiples on Betano Then, I decided to put my money where my mouth is and selected two matches to place my bets on. UNAVAILABLE>

consequences Unfortunately, things didn't go as planned, and I lost both my bets. Looking back, I think I should have started with single bets before moving on to multiple bets.

Starting small and gradually increasing my stakes would have been a better strategy. Of course, knowledge is power!

In conclusion, I like the idea of multiple bets, but I have to remember to start small and build up gradually while learning more about the odds involved.
