Assunto: Pedido de bloqueio de conta de aposta

Prezados /as Team-ApostaGanha.bet,

Meu nome é Bianca Mello, e sou writing para solicitar o bloqueio de minha conta de aposta no site Apostaganha.bet.

Hello!

recently created an account on your website and resulted positively surprised by the variety of esports games offered for betting. Due to so much positive feedback, my friends also decided to join and try their luck. However, when he proceeds to make his first deposit, a message appeared on my screen informing that my account balance is blocked and I need to contact customer service to unlock it. I immediately contacted the Aposta Ganha's customer service department and request that they look into why my account is blocked without reason/explanation, therefore I humbly request it to investigate this situation.

When doing some research I noticed there's a topic in your FAQs "Why my account is frozen" where it specifies in a polite manner to its users the usual security requirements and responsible gaming ethics followed by sites like yours e.g. not sharing accounts between friends etc. I totally understand, respect and acknowledge the reasons especially concerning sharing accounts since I have brought to my friends attention as well, since we work together and have similarities in tastes preferences since we are from the same state/pro region.

I thoroughly appreciate the security, responsible gaming ethic that has been implemented on your site, since it positively reflects a safe environment especially for new clients/users. Thank you for having this ethics that positively demonstrates on how to value your clients. I would like humbly request sir/madam your unlocking of my accounts sir/madam, requesting this exception is an exception for my case sincerely so that I can make our withdrawal and initial deposit the bonuses received. It would be really interesting for me to continue enjoying the site as well as others to come. Due to my undeniable great experience on the day I registered, despite my friend's issue happening it only adds up more good work to acknowledge a problem you're already taking resolute action to avoid fraud among other illegal activities on your platform. Allow list of things learned from this situation: Research shows Aposta Ganha is a recognizable esports betting brand. Learn their FAQs, responsible gaming ethics and safety sec. It implements It also teaches you what not to do such as: Don't share Account/Don't make a deposit using someone else's payment cards/Don't join bonuses/rewards with the one from a friend's account. Do not tempt fate

sometimes we're caught up in garbage for want of a better life for the longneck even though it's all in vain. Moral Rectitude. No sacrifice no gain loyal customers who abide by the regulations/ethics will grow this beautiful community in which many more seek shelter being the first target. Quero recall/address (conclude) Deped that nobel prize winners also had/has family, acquaintance even from colleagues praising bad habits in one it is highly unfair because they ignore that individual's bad habit. Well all have different views in. Everyday occurrences somethings we opt to agree some we don't.
