Friv

On our website, you can play Friv games for free. Here you will find one of the largest collections of various games. All of them fall into many categories. Thanks to this, you can easily find exactly the way of virtual relaxation that you like. The first task you need to do when it comes to online games is choosing the right game. You can find your favorite online friv game using the search space, which you can find at the top right corner on the website page. There are many websites with vast collections of games for all your needs. All you need to start playing friv is just a computer and internet connection.

Friv Games for everyone

Everyone will be able to find something suitable on our website. After all, here are presented online games of completely different categories:

- These are educational games for the smallest ones, playing which your children will develop their logic and become more educated;
- Complex logic games which you can play with your whole family or company department;
- Simulation games that allow you to feel like a pilot of an airplane or a racing car, a soccer player or a master of downhill skiing;
- Sports games for people who are not only fans of various types of sports, but who themselves are happy to take part in competitions, even virtual ones;
- Racing games are for people who love to feel the drive and experience the feelings of a true speed car driver.

For the most part, our website has

small HTML5 games that will not overload your computer and will not take much time. You can easily play Friv Games even during your work break. And, most importantly, these games are available on any computer connected to the Internet. You will not need to go through inconvenient registrations, answer thousands of stupid questions and wait several hours to download the game. Just find our website on Google, and you can play wherever you want.

Only Friv for the bold and the fun!

We are glad to present you with

a perfect opportunity to play the best Friv games on the Internet. We have collected games of various types so that anyone can find something interesting. On our website, you will be able to play any game you want, be it one of the most popular ones or one that is only making its way to success. Meet various characters throughout your whole gaming experience and help them to achieve their goals. You can play not only the latest releases from the gaming industry but also good old games, which were popular more than a whole decade ago! Even a person with the most specific preferences will be able to find something to fit their taste. Not only will you be able to spend your time funnily, but also to test your logic skills and master them to perfection. Bookmark our website, and you will forget about the question "What to play?" forever. Perhaps this website will even become a favorite place on the Internet for you and your children. By the way, all these Friv Games are suitable for kids.

Our Friv2Online team:

Friv2Online

was founded in 2012. Since then, it delivers online games to its users. Our goal is to create the best websites for the promotion of browser games.

Primatologist Observes Sumatran Orangutan

Utilizandoplantas Medicinales para Tratar Herida Abierta

Los altos niveles de inteligencia de los orangutanes han sido ampliamente reconocidos, en parte debido a sus habilidades prácticas como el uso de herramientas para romper nueces y buscar insectos. Pero nuevas investigaciones sugieren que el primate tiene otra habilidad útil en su repertorio: aplicar hierbas medicinales.

Los investigadores afirman que han observado a un macho de orangután de Sumatra tratando una herida facial abierta con savia y hojas machacadas de una planta que se sabe que tiene propiedades antiinflamatorias y analgésicas.

No es la primera vez que se observan animales salvajes auto medicándose: entre otros ejemplos, los orangutanes de Borneo han sido vistos frotándose las extremidades con hojas masticadas de una planta utilizada por los humanos para aliviar los músculos doloridos, mientras que los chimpancés han sido documentados mascando plantas que tratan las infecciones por gusanos y aplicando insectos a las heridas.

Sin embargo, el nuevo descubrimiento es la primera vez que se observa a un animal salvaje tratando heridas abiertas con una sustancia conocida por tener propiedades medicinales.

"Esto demuestra que estas capacidades cognitivas básicas que necesitas para producir un comportamiento así ... eran presentes en el momento de nuestro último ancestro común más probablemente."

Los investigadores dicen que los hallazgos ofrecen insights en los orígenes de los cuidados de las heridas humanas - el tratamiento del cual fue mencionado por primera vez en un manuscrito médico que data de 2200 AC.

El equipo informa en el diario Scientific Reports que hicieron el descubrimiento mientras trabajaban en un área de investigación de un bosque protegido de selva tropical en Indonesia.
